General Meeting
June 9, 9:30 AM
Midland Park Christian Reformed Church
183 Godwin Ave. Midland Park**

President's Message

Friends,

The unofficial start of summer is behind us, and June promises to be a special month for AU as several of our members will give presentations which are sure to entertain and inspire.

First up will be Rick Pascal who at our General Meeting on June 9th will entertain us with video clips from some of "Broadways Most Memorable Songs and Show Stoppers." Revisit Fiddler, the Phantom, Les Misé, 42nd St., and many more. Bring your spouse or a guest as this promises to be a lot of fun.

On June 16th our Technology and Science clubs will join in a special session to explore brain-computer interface technology from the company 'Neuralink'. Our own Jerry Lynch will deliver a fascinating study on this cutting-edge technology which has delivered profound life-changing impact to many individuals with severe speech and mobility challenges. The future is here and the promise to help so many is humbling.

On June 23rd the History club will be leading us into our 250th birthday celebrations with AU member Rob Stevenson delivering "That's not what we learned in school: misstatements and misunderstandings about the American Revolution". This is a fun topic that sets the record straight. Perfect timing.

Of course, the above is just a small sample of what AU is offering. All our clubs and Trips and Tours are in full swing and waiting for your participation. And don't forget the BBQ on June 12th. This is your club, experience and enjoy every part of it.

See you at our General Meeting, June 9th.

Keep Smiling!

After a few too many visits to the "Pleasure Parlour" A chap called John notices green lumps on his willy, so off he goes to the doctor.

The doctor explains, "You know how boxers and rugby players get cauliflower ears?"

"Yes" says John, nodding seriously.

"Well" says the doctor, "You've got brothel sprouts."

When a man says he'll do anything for a woman, he means fight bad guys and kill dragons, not vacuum or wash dishes
